

# Tennessee Bankers Association Thumbprint Signature Program

All items listed below feature the Thumbprint Signature logo printed in red and black.

**Touch Pads** – Pads have a shelf life of 18 months or a minimum of 500 impressions. Banks and businesses should order enough for all cashiers and tellers.

**Teller Window Display** – Banks should post these 3" x 6" tent style display signs at all teller windows as an additional reminder that they participate in the program.

**Statement Stuffers** – These 3.5" x 7.5" brochures explain the mechanics of the program. Banks should use them as a public service announcement to all account holders and have plenty available for anyone who might have questions about the program. Please order in increments of 500.

**Decals** – Banks and businesses should post decals at all entrances and drive-up windows to let people know they are participating in the program and to warn potential criminals that their crimes will not go undetected.
